You look great, but you have not been well. Got the flu or something?

You have been diagnosed with Leukaemia. But it won't happen, it will go away.

Only, a false alarm?

Watch your diet; you're playing games with it, not eating right. You will fall flat on your face, and the diet pills you take, no good....

A Long term romance. It will last forever. Not the one you are with now, he will come and go.

He wants you to stop singing. You will send his bags packing. A producer of sorts, will last a long time, coming in September, some time. He will last a very long time. He makes movies.

Give him a call when you know the time is right. He loves you. Thinks he's not good enough, and then he gets the call. He can't believe his luck.

Wash your clothes more often, they smell. They have been in your cupboard for so long. You're getting them all out, for Broadway. You're keep singing until you are in your 70's.

The toaster needs fixing and all your appliances, even the fridge. Somebody put a spell on them. You will notice this. And, the Television is going too. You're getting on to it.

A Holiday in the Swiss. Canoe, boat ride. And fishing. Buy a swimsuit that is spectacular.

It's like it's your skin, looks naked. It will get all the cameras hopping.

Get some blood tests done, Aids coming your way? You will know of a friend that has it, and alarm bells will set in. Be careful. I think you missed going out with him, were not there that night.

Thank your lucky stars. It's all you're good Karma that saved your life. It could have been you.....?

You're hair red, look disgusting. But you did it for a charity event. Buy some dog biscuits, you got a white dog coming called fluffy. Pink. She likes catching rats and mice. Always out playing. Brings the rats and mice in. Be on your guard, you might get caught out....

The table set for nine years old, out of school, a delinquent. You will help this child. Have no parents, orphaned. Black. Has no schooling.

You're laptop stolen or computer and your phone. Be cautious, it will be all over the tabloids, leaks and photos. They will pay a big price for them

I don't think you will get them back....Kept confidential, but its leak everywhere...

Miscarriage on the way little boy, home sick, will come back, at a later stage. He will not be gone long, will come back and try again. Loves ya and your best friend

May be its when you pass over, I don't know. I don't think you will be famous then But in the makings Yes you will make it again in Heaven....

You did nothing wrong in this lifetime, and help so many poor souls. Never married,

Your write a book about it, the men in your life. They all sucked.

It was so you keep your mind on your work, this is all you wanted to do, and God made sure of it....

Losing your patience on set, and getting everybody upset. Are you pregnant, no you an't but something is wrong is it your hormones, may be not enough red meat. But you're telling everybody off. Let that be a lesson to you. You nearly got fired....?

Long term romance later in life. He's a good looking man, and has a lot to offer, may be in the millionaire's cycle. He will buy you a ring as soon as you meet, and you cannot resist. You both know it is meant to be. Waited a long time for each other. You will marry early in the peace and it will last. You will be very happy....long wait for him, but he is coming...Here after too....

Watching Television late at night and laughing, you two are so good to hang around , always snuggling up to each other and talking like there is no tomorrow. It is meant to be...

Proud mum next life.....with the same man.....It will last an eternity....
